# Conference Program

## Day 1 - Saturday

**8:30am** Registration and coffee/tea

**9:00am** Welcome

**9:15am** **Stepping Firmly into your Future**

Who are you and how do we know? What does your 'brand' say about you? You already have a brand; it's what people say about you when you are not in the room. Do you know what people are saying? Are you proud of what they are saying or is some re-branding needed? We'll explore branding for the educational leader and clarify your personal branding plan.

**10:30am** Morning Tea

**11:00am** **The Value of Profiling**

The key to relationships is healthy communication. The DISC is a powerful profiling tool, revealing your behavioural style and how you prefer to communicate. DISC also demonstrates how you can improve your communication with others. We'll discuss the profiling report, you'll see your own profile, and together we'll explore success strategies that you can immediately implement. Your profiling report also maps your key motivators. Once you understand what are your key drivers, you can align your goals with actions.

**1:00pm** Lunch

**1:45pm** **The Leadership Lens: Different Perspectives**

We know that the number of female leaders in senior positions is currently well short of the number of our male counterparts. We discuss this divide and discover what aspiring women can and should be doing to rebalance the leadership landscape.

**Panel members:** Senior leaders including Principals, Deputy Principals and Heads of Schools

**2:45pm** **Preparing for Interview: 'Getting your Ducks in a Row'**

Going for interviews requires planning and practice. There is a format used in interviewing and a successful process for responding to questions. Together we will explore the pitfalls of interviews and discover techniques for success. We will also break down the position description ready for the Mock Interview to be held Day 2.

**4:15pm** Afternoon Tea

**4:45pm** **The Profile Reveal and Development of Action Agenda**

Each delegate will receive their personalized DISC and Driving Forces Profile Report. As a group, we will unpack the main elements of the report. The delegates will have the time to explore the messages in their report, looking at communication strategies, strengths, challenges and time wasters. In pairs, the delegates will then coach each other around an immediate action agenda.

**6:00pm** Time to Refresh and make your way to Soiree Venue

**6:30pm – 8:00pm** **Evening Soiree to network and build professional connections.**

**Drinks and Finger Food Meal provided.**

- Onsite - Adelaide Conference, Seymour College
- Onsite - Sydney Conference, Abbotsleigh
- Offsite - Melbourne Conference - QPO, High St, Kew. 10 min drive from Ruyton.

# Conference Program

## Day 2 - Sunday

**8:30am** Reconnect & coffee/tea

**9:00am** Conference resumes: Review & Re-focus

Using the combined profiles of delegates, we'll compare the group's Behavioural Profiles and see if patterns exist among leaders, levels and roles.

**9:15am** **Leadership for an Effective Team**

Leadership is about relationships. We'll explore the core of great leadership and effective teams – trust – and how to build it. We'll also examine the importance of maintaining a consistent demeanour on which your team can depend.

**10:00am** Morning Tea

**10:30am** **The Missing 33%**

Senior leadership positions are not just about leading the team. There is a missing 33% of the career success equation for women and we need to fill the void. We need to be more confident, negotiate better, self-promote more and become more strategic. What does this look like and how do we address it?

**Presenter:** Fiona Hutton - Executive Search Director, Hutton Consulting

**12:00pm** **The Strategic Leadership Journey**

During the registration process, each delegate will be asked to provide 3 questions about the challenges of the leadership journey. These questions will be explored together and those that remain unanswered will be presented to a small panel of senior leaders.

**1:15pm** Lunch

**2:00pm** **Mock Interview & Debrief**

An aspiring leader will be interviewed for a senior leadership position by an interview panel, watched on by the audience of conference delegates. Following the interview, we will debrief the experience together, to identify areas you need to develop further in preparation for your next interview.

**3:15pm** **Where to from here?**

Looking back over the conference learnings, you will examine what you need to do, to strengthen your leadership profile, and identify how you are going to lead differently from tomorrow.

**4:00pm** End of Conference
